

About the Company

With over 5 decades of history, today **Fiem Industries Limited** is one of the leading manufacturers of Automotive Lighting, Signaling Equipments, Rear View Mirrors, Sheet Metal and Plastic Parts in India with latest addition as Canister and Bank Angle Sensor. With strong presence in automotive components industry, company has diversified into LED Luminaries for indoor and outdoor applications and LED Destination Board System.

Our major business comes from the Two-wheeler Segment of the automobile industry. We manufacture a wide range of automotive systems and parts i.e. Automotive Lighting & Signaling Equipments, Automotive LED Lighting Systems having a range of around 6000 items supplying to more than 50 OEM in India and Abroad.

In LED Luminaries segment, we have developed more than 100 new generation LED luminaires including LED Bulbs, Tube Lights, Down Lights, Panel Lights, Street Lights, Bay Lights, Flood Lights etc. catering to all segment of customers like domestic, commercial, industrial institutional and government and both of their indoor and outdoor lighting requirements. In LED Destination Board System, we are manufacturing and supplying large number of products to Indian Railways for modernization of Indian Railways, besides that we are supplying various LED display systems for Buses to State Road Transports, Schools etc.

We have state-of-the-art manufacturing facilities with world-class infrastructure. The proximity of our plants to our OEM customers facilitate just-in-time delivery with efficient logistics. Our Plants are spread in major auto hubs in India and located at Kundli, Sonapat, Haryana (Unit-1), Hosur, Tamil Nadu (Unit-2, 3 & 5) , Mysore, Karnataka (Unit-4), Nalagarh, Himachal Pradesh (Unit-6), Rai, Sonapat, Haryana (Unit-7), Tapukara, Rajasthan (Unit-8) and Karsan Pura, Ahmedabad & Gujarat (Unit-9)

We are one of the most preferred tier-1 supplier for automotive **OEMs** and caters to esteemed OEMs not only in India but also in foreign countries like Japan, Europe, Asia and USA. In quest for continuous improvement, our Company has acquired certifications, such as **IATF 16949:2016, ISO 9001:2015, ISO 14001:2015 & OHSAS 18001:2017**. We have world-class R&D and Design Centre in India, Italy and Japan. Our R&D Centre in India is recognized by DSIR, Ministry of Science & Technology, Government of India. Our Photometry Laboratory for LED Luminaires as well as for Automotive Lighting is accredited by **National Accreditation Board for Testing and Calibration Laboratories (NABL)**.
